Our VALUES

Joyfully Growing Children of God

We are committed to:

- 1 Ensuring that all children in our care know God through Jesus Christ and be his faithful disciples.
- 2 Because all children are created and redeemed by God, they know and hear God speak in different ways than adults. We believe that all children, being vital to the present and future of the community of faith, have unique and diverse gifts and talents that can be used to build up the body of Christ.
- 3 Empowering adults to surround our children, serving as guides and advocates, by living lives in full view of the children. We will help children identify God's presence in their lives. As adults, we will serve as role models who show the priority the church plays in a family's life. We love, nurture, listen, accept, encourage, welcome, and provide safety to every child.
- 4 Providing Christian education that is based on God's Word from the Holy Bible. This ministry is purposeful, intentional, and structured. Christian education provides a foundation and inspiration for further faith development.
- 5 Children's ministry empowers families and includes children in an extended Christian church family. Children are welcome and have the time and space to wonder, question, act and share in developing their faith.

MILESTONES

MINISTRY

Birth through Confirmation

Just as the ancient roadways used stones to mark the miles traveled, our community of faith partners with parents to nurture children on their spiritual journey by marking spiritual milestones between birth and age twelve.

Celebrating the spiritual growth that happens along the way, our Milestones Ministry provides a faith milestone that says, "This is something important, and God is here, too."

Milestones are a faith formation practice for both home and congregation that helps all generations recognize God's presence in everyday life.
