

Milestone #10

Connecting our Faith through Confirmation

*"Keep straight the path of your feet,
and all your ways will be sure."
Proverbs 4:27*

Focus: As tweens begin to connect the dots in their survey study of the Old Testament, they grow in their awareness of the One Story of the Bible – the story of God's redemption. It is an exciting time of coming together as a body of disciples through the study of Scriptures and discussions that center around faith and life connections.

Tweens begin the 3-year Confirmation Journey with a survey of the Old Testament through Sunday School. Parents are encouraged to become active in the special events, trips, retreats, etc. that happen over the next three years.

A special **morning retreat** is held each year where tweens explore their connectedness with the larger faith community and parents are invited to attend lunch.

Working together to untie a human knot, baking cookies from ingredients found on a Cookie Scavenger Hunt and talking about the journey of faith are just some of the activities enjoyed during the retreat.
