

We're Saving you a Seat in Worship!

We come together to worship God. God loved us so much, God sent his son, Jesus to save us. The cross is a symbol in our worship space to help us remember Jesus. Look around the worship space. Remember that the cross is a symbol of God's love for you.

Look around the worship space. Count the crosses you see. Draw one below.

Parent Tip:

Visit the worship space before worship begins so your child can look around. Together, choose a seat where your child can follow the worship and see what is going on. Introduce your child to tools he or she can use during worship.

Our church provides:

Worship Bags— a cloth bag filled with things to engage children

Children's Time in Sanctuary worship— children can come forward and enjoy a talk with a pastor.

Young children and Worship is available for children ages 4-6—a time to learn about worship by experiencing worship in age-appropriate ways.
